PRESIDENT'S REPORT

RANDY DIEHL, President _____

Greetings Brothers & Sisters,

I don't really know where to start with this article. Life has been turned upside down both in and out of the workplace. It seems like the only issues we have been having the last couple of months are related to the COVID-19 virus.

At the time of this writing we have had 5 positive virus tests, but I am very afraid that we are in danger of that number exploding. I see in the news that an Indiana Tyson factory had 900 of their 2,200 employees test positive before they shut down. That is unacceptable and I hope and pray for that to not happen in any of our business units.

Stay as safe as you can as an essential employee.

In Solidarity, Randy Diehl

INSURANCE & BENEFITS REPORT

JOHN ARNOLD _____

Wow has this been a crazy year so far. We are only 5 months into 2020 and it seems more like 10 months. I hope everyone is staying safe and hasn't gotten this virus. This has been hard on all of us with the stay at home order and businesses closed. Personally, this has been very difficult for me because in March my mom went into the hospital for about 2 weeks and we weren't allowed to see her. Once she was released, she had to be placed in a nursing home. I haven't been able to give my mom a hug in over 2 months and only been able to see her through a window at the nursing home. With her having Alzheimer's it's heartbreaking seeing her mind slipping more and more each week and not being able to just sit with her and be with her. Plus, her not understanding why we can't come in and see her.

I tell you this to let you all know that no matter how long it's going to be that you're stuck inside with your family to always count your blessings and cherish this time with them. You don't know what tomorrow will bring and you don't want to regret that you didn't spend more time with your loved one when you could have.

Hang in there and stay strong. We will get through this.

In Solidarity,

John Arnold, Insurance & Benefits Chairman

BARGAINING CHAIRMAN'S REPORT

MIKE ATKINSON _____

Greetings Brother and Sisters,

I hope everyone is doing well and are trying to stay healthy during these unprecedented times with the COVID-19 virus.

Thank goodness we have not been affected like New York. I think we should all hold a special place in our hearts for all the front-line people, Doctors, Nurses, EMT's and ambulance personnel.

It really did not hit home with me until I was watching the news and saw some people visiting their mother or father in a nursing home and having to stand outside a closed window. It was really sad.

I know a lot of people were upset at the Union for not basically closing Caterpillar down and not having the membership work. What they don't know is the International was in communication with Caterpillar, John Deere and Case New Holland trying to get them to shut down for at least 2 weeks at the onset of this pandemic. That's when the International was informed that due to Homeland Securities Act from 2004 allowed these companies to remain open for business, because they are considered essential businesses. This a Federal rule that overrides any state laws.

Randy Diehl and I have a conference call every Friday at 10:00 a.m. with our International representatives J.C. Zimmerman and Craig Karnes with the Presidents and Chairmen from the other locals in the Caterpillar chain. This has been a great benefit to find out what's going on in the other facilities.

I know at the time that I am writing this report. They are just starting the mandatory mask policy. We will discuss this on Friday, May 2nd's phone call.

We have been instructed to cancel all meeting and events here at the hall until further notice by the International, but the hall is still fully operational and staffed for our members.

Business is really slow for Caterpillar due to the virus. The Mapleton facility ended up laying off the remainder of their supplementals, which a lot of them were picked up by the Morton facility. Mapleton also offered a retirement buyout to I believe 5 people I believe it was well received and a decent deal for the members.

All of the other facilities are also feeling the affects of the downturn in business. So, watch what you are doing because you know they are.

In closing, I wish everyone well, please stay healthy and may God bless you and your family.

In Solidarity

Mike Atkinson, Bargaining Chairman
