# PRESIDENT'S REPORT

RANDY DIEHL, *President* \_\_\_\_\_

Greetings Brothers & Sisters,

I am writing this on March 1, 2022, which means we are one (1) year from either a new contract or potentially being on strike if we can't reach an acceptable agreement with Caterpillar. If we choose to go on strike, the strike pay is \$275.00 per week and the UAW will pay your insurance premiums. Obviously, that isn't enough money to live on, so please try to save money now if at all possible.

Caterpillar is still hiring a lot of new people, but a high percentage are not making it through supplemental status or their probational period, due to them quitting or Caterpillar separating them.

We will have our Heather Henninger Bowling Tournament at Sunset Lanes in Pekin on June 11th, so call over and get registered ASAP. We have filled all lanes in the past and had to turn members away. All profits from this will go into our scholarship fund to fund scholarships to our members children and grandchildren.

In closing, I just heard that we are finally mask free in Caterpillar. I certainly hope that we never have to wear them again.

In Solidarity,  
Randy Diehl

# INSURANCE & BENEFITS REPORT – APRIL 2022

JOHN ARNOLD \_\_\_\_\_

Spring has finally arrived. Winter as a whole wasn't that bad this year except for the month of February. I hope that by the time you are reading this we haven't had anymore winter storms.

Leading up to the enrollment period last year many people got letters from Springfield Clinic stating they would no longer be in the Blue Cross Blue Shield network. Usually, those contract disputes get resolved and nothing changes. But as of March 1st, according to the Blue Cross Blue Shield agent I talked to Springfield Clinic is still not in the network. As far as I know they are not in the United Healthcare network either. So, for those that received a letter last year from your doctor about this dispute it has not been resolved yet.

If anything changes, I will let you know.  
In the meantime, be safe.

In Solidarity,

John Arnold, Insurance & Benefits Chairman

# VETERAN SUICIDE

Since 2010, more than **65,000 United States Veterans** have died by their own hands... **65,000**

That's more than the total number of Combat deaths during Vietnam, and the Iraq & Afghanistan Operations combined.

My heart aches with the thought of a U.S. Veteran sitting alone and feeling so lost and forlorn that he or she would even consider ending this life's journey.

We owe these veterans and their families a better response in addressing this crisis.

Suicide is a very complex and preventable problem.

Last year the House of Representatives passed H.R. 2441- Sgt. Ketchum Rural Veterans Mental Health Act. This bill is now law, and requires the V.A. (**this year**) to establish and maintain three new centers in areas with interest from personnel and a need for additional mental health care for rural veterans.

Last November the White House announced a **series of priority goals that I believe will really help in the prevention of veteran suicide**. Even more important this action brings much needed added attention to the crisis at the highest levels of our government.

Currently there is a bipartisan bill in the Senate (S. 3293) that will fill important programming gaps in mental health services for veterans who are at high risk of suicidal behavior and have mental health conditions.

Senate Bill S. 3293 is also supported by the Disabled American Veterans (DAV). The DAV supports S. 3293 in accordance with DAV Resolutions Nos. 026, 106, and 118.

**You too...can and should help, contact your senators to ask them to support**

# BARGAINING CHAIRMAN'S REPORT    APRIL 2022

BOBBY KOLLER \_\_\_\_\_

Greetings Brothers and Sisters,

As I write this report on March 3, 2022, Caterpillar has announced that they will follow the CDC guidelines by lifting the mask mandate. I'm sure that almost everyone is happy to be moving back to a normal life after 2 years.

We currently have two (2) grievances and one (1) just cause on the docket. It appears that the company has been lax on discipline for the last couple of months. Except for attendance and more serious infractions like workplace violence etc. This is probably due to having a tough time in the hiring process. When things slow down, I'm sure this will change.

The week of May 9, 2022, all of the Committeemen will go to Ottawa, IL to our Region 4 facility for Committeeman and Bargaining Training. On June 27, 2022, we will also be sending 25 Union Stewards to Ottawa for basic Union Steward Training (Summer School).

One year from now we will be voting on a new contract, I suggest everyone come up with a backup plan that suits your situation. Hope for the best and plan for the worst.

With Easter right around the corner, I want to wish you and your family a Happy Easter.

Please don't hesitate to contact me at the Union Hall with any questions or concerns (309) 694-3151.

In Solidarity,

Bobby Koller  
Bargaining Chairman
